VINECAR BITTERS

Vinegar Bitters are not a vile Fancy

Spirits and Refuse Liquors, doctored, spiced,
and sweetened to please the taste, called
"Tonica," "Appetizers," "Restorers, &c.,
that lead the tippler on to drunkenness and
rule, but are a true Medicine, made from the
native roots and heros of California, free from
all Alcoholic Stimulants. They are the Great
Blood Purifier and a Life-giving Principle, a
Perfect Renovator and invigorator of the Sys

restoring the blood to a healthy condition, enriching it, refreshing and invigorating both
mind and body. They are easy of administration, prompt in their action, certain in their
results, as an and reliable in all forms of disease.
No Person can take these Bitters according to directions, and remain longun weil,
provided their bones are not destroyed by
mineral poison or other means, and the vital
organs wanted beyond the point of repair.

Dyspepsia or Indigestion, Headache,
Pala, in the Shoulders, Cougha, Tightness of the
Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Billous Attacks, Palpitation of the Heart, Inflammation of the Lungs,
Pain in the regions of the Kidneys, and a hundred
other painful symptoma, are the offsprings of
Dyspepsia. In these complains it has no equal,
and one bottle will prove a better guarantee of
its merits than a lengthy advertisement.

For Female Complaints, in young or old,
married or single, at the dawn of womanhood,
or the turn of file, these Tonic Bitters display so
decided an influence that a marked improvement is soor perceptible.

For Indammatory and Chromic
Recuments and Goul, Liver, Kidneys and

VINEGAR BITTERS

Skin, Humors and Biseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these llitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitfated Blood whenever you find its impurities burshing through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the velns; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Grateful Thousands proclaim Vinegar Bitters the most wonderful invigorant that ever systained the sinking system.

Pim, Tape, and other Worms, intring in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist: There is scarcely an individual on the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and sliny deposits that breed these living monsters of disease. No system of medicine, no vermifuges, no anthelminifities, will free the system from worms like these Bitters.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Typesetters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS I wice a week.
